

THE ABUNDANT REPORT

SEPTEMBER 2013

GABON, WEST AFRICA

August 21- 29 Dr. Pangio flew into Libreville, Gabon where he was met at the airport by our Gabon, Abundant Ministries Director Maxient Kokrand. Pastors, and congregation members from the fellowship in Libreville

also came to the airport to meet Dr. Pangio. Later that evening Dr. Pangio and Rev. Maxient took a small plane into Port Gentil (currently you can only access this city by air or sea), where he conducted a Leadership Conference, Bible School graduation ceremony, ordination service and revival meetings.

Upon arriving at the airport in Port Gentil we were interviewed by a local television station "Canal Delta +".

During the week of the conference we were also interviewed by a second television station. Rev. Maxient and the leadership of Abundant Ministries also had television commercials aired advertising the conference and the bible school. One of the television stations filmed and aired portions of the conference and bible school graduation ceremony.

The mayor of Port Gentil attended many of the services and he also made a commitment for the city of Port Gentil to donate land to Abundant Ministries for our Abundant Word Bible College to be built. Rev. Maixient is heading up the efforts to get business owners and local churches to sponsor the construction

costs for the bible school. Our Abundant Word Bible College currently has a dual campus set up, meeting in two local churches. Plans are currently underway to open schools in the capitol city of Libreville, and in the eastern portion of the country in the town of Franceville.

BIBLE WORD BIBLE COLLEGE GRADUATION:

The graduation ceremony was also held at the Mbandaja Hotel conference room. The church in the city showed

tremendous unity as they attended the ceremony to honor the graduates that represented their local churches. Some of the students were senior pastors who previously did not have an opportunity to receive any formal

bible school training. See pictures below. Pic. #1 on left: (center) Dr Pangio, Rev. Maxient (left), Mayor (right back row) with graduates who received an accredited Associates in Theology Degree.
