Our Updated Missions Policies are described below

Abundant Ministries U.S.A. new "Missions Policy"

Focus of Vision: When we first start out in ministry our "vision" is broad and takes us into many arenas. As seen with the Apostle Paul, he also had a broad vision and attempted to spend his time and resources in reaching both Jew and Gentile with the Gospel of Jesus Christ. Then there came time where the Spirit of God separated Paul (Acts 13:2) and brought focus into his vision with a call precisely to minister to the "Gentiles" (Rom. 11:13 & 15:16, Eph. 3:8, 2 Tim. 1:11). Dr. Pangio has come into a season of "separation", and will make the focus of our "Mission's Program" totally dedicated to planting bible schools (*Abundant Word Bible College) and training church leaders.

Focus of Finances: The following financial policy has been adopted in order to finance this vision:

A. Abundant Ministries will provide the bible school curriculum and necessary equipment for the bible school.

- Each Bible School Director is responsible to finance all operations of their bible school
 - This is accomplished by receiving tuition and fees from the students in attendance
 - Abundant Ministries U.S.A will not provide any finances for the operating and expenses of your bible school.

B. Abundant Ministries will make available an accredited "Associates in Theology Degree" for students who graduate.

- The cost of the Accredited Associates in Theology Degree" is \$50 USD (fifty dollars).
 - The fee for the accredited degree must be prepaid to Abundant Ministries U.S.A.
 - Abundant Ministries will cover the balance of the expense of the degree through their scholarship program.

Focus on Training Church Leaders: A. Dr. Pangio will only consider coming to a country to minister if they meet the following guidelines:

- Leadership Conference:**
 - You will be required to host a Leadership Conference that gathers pastors from your region, city, village.
 - Note: there must be other senior pastors and leaders in attendance of the Leadership Conference other than those who attend your local church.
 - You will be required to cover all expenses for hosting the Leadership Conference
 - this includes everything from advertisement, rent on equipment (chairs, P.A. system, instruments, stage, lights, etc.) feeding of pastors (if you choose to provide food), interpreter, security (if needed), and providing the church and or building to meet in.
 - Transportation expense can be discussed and then a decision will be made as to how much of the expense Abundant Ministries will or will not cover.
 - Note: Dr. Pangio will consider coming to do ministry just for a Leadership Conference... it is not necessary to open or have a Abundant Word Bible College in operation.
 - Dr. Pangio will personally cover the following expenses:
 - air fare to your nation
 - hotel (if you are not able to cover this expense)
 - his food
 - transportation from airport to hotel
 - Note: Abundant Ministries will not cover any expenses related to other speakers ministering in your meeting, conference, etc.
- Opening of and Abundant Word Bible College**
 - see guidelines listed above
 - A Leadership Conference must e scheduled meeting the stated requirements before Dr. Pangio will consider opening an Abundant Word Bible College under your leadership.
- Revival Services, Open Air Crusades, Church Services:**
 - Dr. Pangio will only minister in these type of services if they are secondary in the schedule. There must first be a Leadership Conference and / or an opening of an Abundant Word Bible College.
